

PHILIPS Lifeline

Why Choose Lifeline?

- **Lifeline is for living in your own home.** Medical studies show that people using Lifeline were ten times less likely to require admission to a nursing home.
- **Lifeline is designed around you and your family.** Your care plan is personalized to fit your needs. Lifeline will contact friends, family and neighbors on your behalf.
- **Lifeline is recommended by doctors, nurses and other professional caregivers.** They know that even a minor fall or incident can have serious consequences. Getting help quickly improves outcome.
- **Lifeline is not only for medical emergencies.** The police and fire department are just a button push away. This increases your safety in your own home.
- **Lifeline is easy to live with.** The Personal Help Button is small, lightweight, simple to use, waterproof, and won't interfere with your activities in any way.
- **Lifeline is a good idea even if you do not live alone.** Accidents are unpredictable and you might need help when someone you live with is temporarily out of the house.
- **Lifeline gives your family peace of mind.** You will be helping everyone who cares for you to feel better knowing that you are alright.
- **Lifeline costs only about a dollar a day.** Lifeline, through Jewish Family Service, offers affordable service with a sliding fee scale and no long-term commitment to people of all religions. The sliding fee scale is based on monthly household income. There is an installation fee of \$30 if the appointment is held at the Jewish Family Service office, or \$80 for a home installation. To schedule an office or home appointment, please call (504) 831-8475.
